notes:

material details

shade

the standard shade material is 2-ply wood veneer with a poly core lamination and surface coating. The material is cleanable with soap water and cloth or household spray cleaners.

the custom white poly material can also be made in other colors.

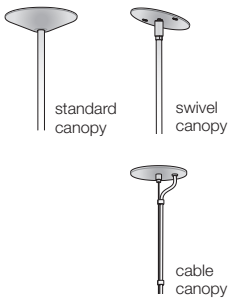
diffuser

a matte white acrylic diffuser in the bottom of the fixture is standard.

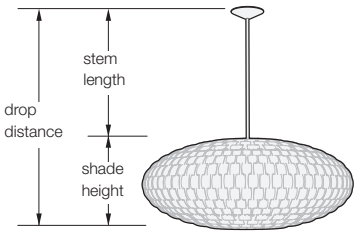
hardware

all hardware is steel with a powder coat finish, or aluminum or stainless with a brushed finish.

suspension options



mounting details



an octagonal junction box in the ceiling is required for mounting.
